Happy New Year!

As we embrace the warmth and wonder of this joyful season, I wanted to take a moment to share heartfelt gratitude with each of you. This time of year reminds us of the importance of connection, reflection, and the cherished bonds we hold within our school community.

We are deeply thankful for the support, kindness, and spirit that each family contributes. Your involvement, classroom donations, and care are the heart of what makes our school community so vibrant and welcoming. Whether through shared celebrations, acts of generosity, or simple everyday moments, your presence enriches us all.

May this season bring you and your loved ones peace, happiness, and countless moments of joy. We look forward to continuing our journey together, fostering growth, friendship, and shared experiences in the coming year.

With warmest wishes and sincere appreciation,
Ms. Sherwonda R, Director

MLK Day

On January 19th we take time to honor the legacy of Dr. King, a leader who championed civil rights, justice, and equality for all. This day is an opportunity to reflect on the values he stood for—nonviolence, courage, and the power of peaceful protest—and to inspire our children to embrace these principles in their own lives.

By learning about Dr. King's contributions, students gain a deeper understanding of the importance of standing up against injustice and the impact one individual can have in creating positive change. We encourage you to discuss his legacy at home and explore ways your family can honor his memory through acts of kindness and community service.
