UPCOMING EVENTS

• We are looking forward to 'Read Across America Week of March 2, 2026. Last year we had families from many cultures and backgrounds who prepared food, shared videos/pictures/ and currency. Some parents and siblings read books to their child's classes.

Many dressed in cultural garment as the classrooms listened to cultural music, played musical instruments and created instruments related to specific cultures. Some classes studied cultural art, created passports, followed recipes, and even attended virtual trips to different countries. We are looking forward to our third year of our Cultural Awareness Week of many WOW Experiences.
